On October 20 and 26, 2009, Applicants' representative Sheree Lynn Rybak had a telephone interview with the examiner to discuss amendments that would put the case into condition for allowance. Agreement was reached. It was agreed to amend claim 1 to recite "equal to or about 145 mM NaCl" instead of "physiological salt concentration." It was also agreed to add the term "net" to claim 4, re-write claim 63 to depend from claim 1, and to cancel claim 104.
